Maps and Diagrams.

1. Reference map. Towns and villages on the Bunter outcrop.
2. Reference map. Parishes on the Bunter outcrop.
3. Geological map. (Scale ¼" to 1 mile).
4. Geological map, (Scale 1" to 1 mile), showing extent of settlement on the Bunter outcrop.
5. Physical map - relief, streams and towns.
7. Section. Bawtry to Nottingham. (N - S over Bunter).
8. Section. Bolsover to Tuxford (E - W)
9. Section. Alfreton - E. Kirkby - Edingley (E - W)
10. General distribution of streams over Bunter and neighbouring outcrops.
11. Distribution of streams on the Bunter country.
12. Dry valleys.
13. Water - table contours on the Bunter and neighbouring outcrops.
14. Water - table contours on northern part of the Bunter.
15. Water - table contours and spot heights on the Bunter outcrop.
16. Soil distribution.
17. Wind directions at Nottingham for 1929 and 1930.
18. Wind strengths at Nottingham for April, May and June (1926-1931).
19. Distribution of rainfall over Nottinghamshire and East Derbyshire.
24. Distribution of Palaeolithic, Neolithic and Bronze remains.
25. Distribution of evidences of Roman occupation.
26. Relief and communications in geographic unit to which the Bunter outcrop belongs.
27. Routes by which the English entered the region.
28. Distribution of place names ending in -ingham and -ing, and of English cemeteries.
29. The site of Nottingham.
30. Distribution of place names ending in -ley, and -field, and containing -wood.
31. Final English settlements.
32. Distribution of Scandinavian names, ending in -by, -thorpe, -thwaite and containing personal names.
33. Summary of order of settlement.
34. The Norman kings' manors on the Bunter outcrop.
35. Sherwood Forest in the 12th and 13th centuries.
36. Distribution of religious houses in Nottinghamshire.
37. 17th century map of Carburton showing the 'breck' system of cultivation in use.
38. Enclosure on the Bunter to 1700 AD.
39. Enclosure on the Bunter in the 18th century.
40. Enclosure on the Bunter in the 19th century.
41. Density of population in Bunter parishes 1801.
42. Density of population in Bunter parishes 1851.
43. Density of population in Bunter parishes 1901.
44. Density of population in Bunter parishes 1931.
46. Present distribution of villages and towns on Bunter and neighbouring outcrops.
47. Distribution of population over Nottinghamshire and East Derbyshire. 1931.
48. The Bunter outcrop as a source of water.
49. Section. Chesterfield to Boughton showing structure of coalfield.
50. Conjectural contours of Top Hard coal over the concealed coalfield.
51. The development of the concealed coalfield 1859 - 1900.
52. The development of the concealed coalfield 1900 - 1920.
53. The development of the concealed coalfield 1920 - 1939.
54. Framework centres on the Bunter outcrop in 1845.
55. Modern industrial setting of the Bunter outcrop.
56. Agricultural distributions for 1875 and 1937. Land in use, barley, sheep, dairy cows.
