Use policy

The full-text may be used and/or reproduced, and given to third parties in any format or medium, without prior permission or charge, for personal research or study, educational, or not-for-profit purposes provided that:

- a full bibliographic reference is made to the original source
- a link is made to the metadata record in Durham E-Theses
- the full-text is not changed in any way

The full-text must not be sold in any format or medium without the formal permission of the copyright holders.

Please consult the [full Durham E-Theses policy](#) for further details.

COMPUTERISING STUDENT RECORDS

by

MADELEINE MARY WALKER

submitted for the degree of

MSc

to the

UNIVERSITY OF DURHAM

from the

Department of Computing

1982

Appendix 7 Printouts

Appendix 8 Documents used in archiving the 8 test records

+ 1982/WAK

Copy 01

S8 NO₂ OCOL1

UNIVERSITY OF MICHIGAN TERMINAL SYSTEM AT NUMAC

MON 22 JUN - 80

An oval-shaped stamp from Durham University Science Library. The text "DURHAM UNIVERSITY" is at the top, "10 DEC 1982" is in the center, and "SCIENCE LIBRARY" is at the bottom.

LIST ELEMENTS WITHOUT MARK

The image shows a decorative page border. The top and bottom edges feature vertical columns of small, alternating black and white shapes: squares, circles, and diamonds. These columns are arranged in a staggered, non-parallel fashion across the width of the page. The left and right edges of the page are plain white.

The image features a decorative border composed of various geometric shapes. On the left side, there are vertical columns of triangles pointing upwards and downwards. The top and bottom edges consist of horizontal rows of squares. Diagonal rows of circles are positioned between the square rows. The right side of the border is also defined by vertical columns of triangles pointing up and down, mirroring the left side.

UNIVERSITY OF MICHIGAN TERMINAL SYSTEM AT NUMAC

26:58:45 FRI 4-JUL-80

MTS Code

The image shows a decorative page border. The top and bottom edges feature a repeating pattern of small circles. The left and right edges feature a repeating pattern of small squares. In the corners, there are larger, stylized shapes composed of smaller circles and squares, resembling stylized 'C' or 'S' forms.

The image shows a decorative page border. The top and bottom edges feature a repeating pattern of small squares. The left and right edges feature a repeating pattern of small circles. The corners of the page are decorated with larger, stylized versions of the same shapes: a square at the top-left, a circle at the top-right, a diamond at the bottom-left, and another circle at the bottom-right.

A large grid of symbols representing the letters of the Hebrew alphabet. The grid is organized into several columns and rows. The first column contains the letter aleph (א) at the top and resh (ר) at the bottom. The second column contains the letter beth (ב) at the top and shin (ש) at the bottom. The third column contains the letter gimel (ג) at the top and tav (ת) at the bottom. The fourth column contains the letter dalet (ד) at the top and kaf (כ) at the bottom. The fifth column contains the letter he (ה) at the top and pe (פ) at the bottom. The sixth column contains the letter vav (ו) at the top and tsadi (צ) at the bottom. The seventh column contains the letter zayin (ז) at the top and tsadik (צ) at the bottom. The eighth column contains the letter chet (ח) at the top and tsadi (צ) at the bottom. The ninth column contains the letter taf (ת) at the top and tsadi (צ) at the bottom. The tenth column contains the letter yud (י) at the top and tsadi (צ) at the bottom. The eleventh column contains the letter kaf (כ) at the top and tsadi (צ) at the bottom. The twelfth column contains the letter mem (מ) at the top and tsadi (צ) at the bottom. The thirteenth column contains the letter lamed (ל) at the top and tsadi (צ) at the bottom. The fourteenth column contains the letter nun (נ) at the top and tsadi (צ) at the bottom. The fifteenth column contains the letter samech (ס) at the top and tsadi (צ) at the bottom. The sixteenth column contains the letter resh (ר) at the top and tsadi (צ) at the bottom. The seventeenth column contains the letter shin (ש) at the top and tsadi (צ) at the bottom. The eighteenth column contains the letter tsadi (צ) at the top and tsadi (צ) at the bottom.
