Appendix

This is a list of stand-alone versions of the *Odyssey* for children in English, selected according to the criteria in the introduction to this thesis.

Translations are listed separately by translator – there are some minor variations in titles of individual translations, and extratextual content of certain reprints, but the main text is the version of the translator listed.

Republications of texts in collected volumes are also included.

Different editions of individual works are made distinct by their publishers where possible.

Additional comments as to the content/context/significance of publications are made as appropriate.
