Contempoary features

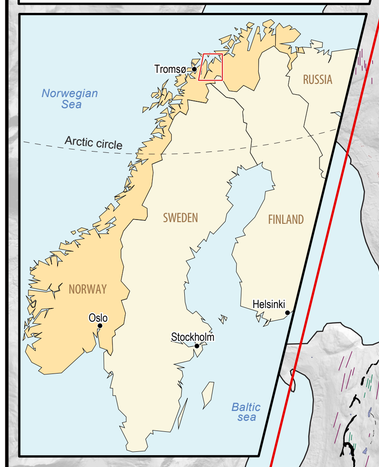

Glaciers | Ocean | Lakes

Glacial landforms

- Major moraines
- Minor moraines
- Ridges within discrete debris accumulation (DDA)
- Eskers
- Irregular mounded terrain
- Flutings
- Lineations
- Glacially streamlined bedrock
- Possible glacially streamlined terrain

Periglacial landforms

- Rock glacierized moraines
- Valley wall rock glacier
- Valley floor rock glacier
- Rock glacier ridges
- Pronival ramparts
- Lithalsas
